

Celery Allergen

Order Name: **CELERY IC**

Test Number: 5613450

Revision Date: 06/27/2024

| TEST NAME       | METHODOLOGY | LOINC CODE |
|-----------------|-------------|------------|
| Celery Allergen | ImmunoCAP   | 15618-2    |

| SPECIMEN REQUIREMENTS |                                                                                                                                                                                                                                                             |               |                    |                       |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|--------------------|-----------------------|
| Specimen              | Specimen Volume (min)                                                                                                                                                                                                                                       | Specimen Type | Specimen Container | Transport Environment |
| Preferred             | 0.4 mL (0.2 mL)                                                                                                                                                                                                                                             | Serum         | Clot Activator SST | Room Temperature      |
| Instructions          | <b>Specimen Type:</b> Red-top tube or gel-barrier tube,<br>Separate Serum from Cells into a screwtop transport container.<br><b>Stability Requirements:</b> Room temperature 14 days, Refrigerated 14 days, Frozen 3 months. (Freeze/thaw cycles Stable x3) |               |                    |                       |

| GENERAL INFORMATION          |               |
|------------------------------|---------------|
| Expected TAT                 | 3-5 days      |
| Performing Labcorp Test Code | 602735        |
